PRESENTATION

BY

SRI. M.B. DYABERI, IAS
CEO & EM,
KIADB

About KIADB :

1

Karnataka Industrial Areas Development Board (KIADB) is constituted under the Karnataka Industrial Area Development Act, 1966

2

It is the agency of the Government to develop industrial land in State, to acquire and provide land of their choice to large industries

3

The Act empowers KIADB to acquire any suitable land expeditiously either for formation of an industrial area or for a large industry (Single Unit Complex)

KIADB – Aims & Objectives :

- ✓ Promote rapid and orderly development of industries in the State.
- ✓ Facilitate in establishing infrastructure projects. Function on “No Profit- No Loss” basis.

Functions

- ✓ Acquire land and form industrial areas in the State. Provide basic infrastructure in the industrial areas. Acquire land for Single Unit Complexes. Acquire land for Government agencies for their schemes and infrastructure projects.
- ✓ KIADB has also acquired lands to cater the specific needs of individual industrial units (Single Unit Complexes).

Challenges

Acquire land and form industrial areas in the State

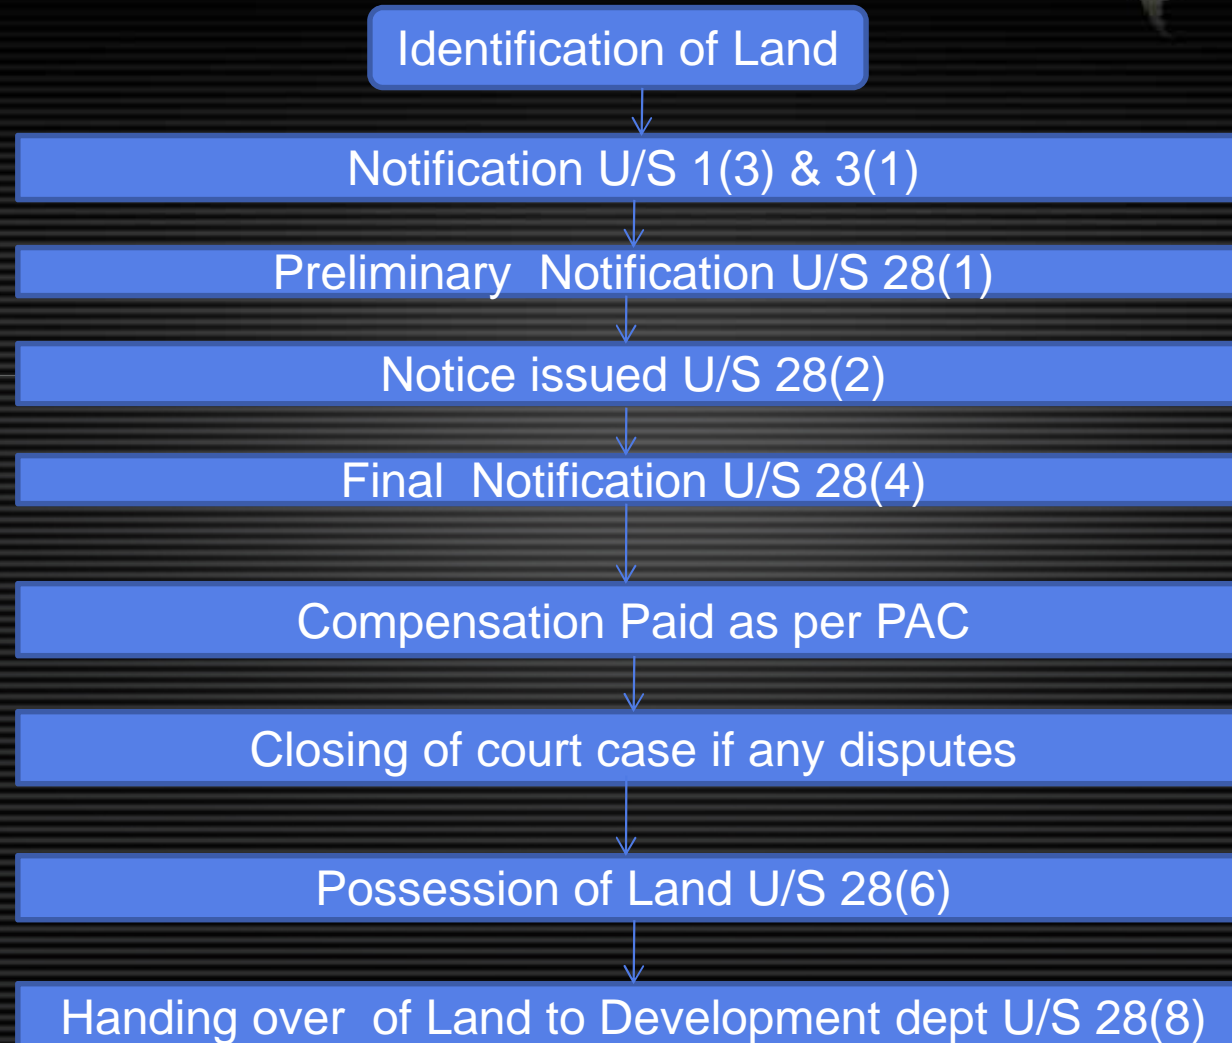

- ✓ **Socio economic condition .**
- ✓ **Feasibility of land for the proposed IA 's as per the Norms of MOEF,CPC and other line departments.**
- ✓ **Availability of infrastructure like rail, road ,water supply etc.**
- ✓ **Hedging between the line departments.**
- ✓ **Data gaps.**

Welcome to KIADB

KIADB has so far developed 132 industrial areas in 30 districts of the State. A typical industrial area developed by the Board will have following infrastructure facilities:

- Approach roads and internal roads with storm water drains
- Power supply and street lighting
- Water supply
- CETP/STP
- Technical Training Centers and R&D centers
- Common Facilities Centers to accommodate Banks, Post Offices, Telephone Exchanges, Dispensaries and Canteens, among others
- Power Sub- Stations
- Hotels & Hospitals
- Housing tenements to provide housing facility to the labour force working in the industrial units
